

VPI's NEW Low Dirt Retention (LDR) wall base offers multiple design options and high performance while using the highest quality raw materials and manufacturing methods that assure the lowest cost of ownership.

Low Dirt Retention (LDR) Sculptured Wall Base

Color coordinated to match any environment

Conforms to wall curves, masking irregular wall surfaces

Eliminates priming, painting and finishing while still assuring no color fading, wood knots or nail head fill spots

No splintering or staining by common liquid spills

Highly resistant to scratching and denting

Simplified installation using standard wall base adhesive

Supplied ready for use or unfinished, ready to paint

Basic Dimensional and Packaging Data
