

LAUZON ESSENTIAL EXPERT

This is the Essential product in a wide-width solid platform over a stave core:

Far more stable and versatile than 3/4" wide solids, less inclined toward checking

Install on all grades, glue or staple

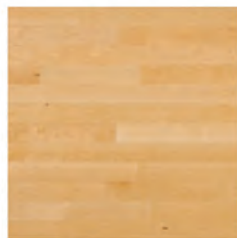

Suitable for RH areas ranging from 30% - 80%

7/32" (5.4mm) dry solid sawn face, aluminum oxide finish, 25 year warranty

Long lengths; very flexible. Tight T&G milling reduces squeaks
