HOW TO ADD THIS TOOL TO THE RETAILERS WEBSITE?

You're almost done!

It's now time to add Roomvo to your website and make sure it works. Don't worry, we've made this easy!

STEP 1: ADD ROOMVO TO YOUR WEBSITE

STEP 2: SEE ROOMVO IN ACTION

Don't manage your website?

No problem. Send these instructions to someone who does.

From

Your Name

To

someone@example.com

SEND

Step 1: Add Roomvo to your website

Copy and paste the code below into the HTML of all of your web pages

View Country

United States

Language

English

```
<script
  async
  id="roomvoAssistant"
  type="text/javascript"
  data-locale="en-us"
  src="https://www.roomvo.com/static/scripts/020/common/assistant.js"
></script>
```

COPY

Step 2: See Roomvo in action

Roomvo should now be live! Go to your website and look for the Roomvo widget at the bottom-right of the page. Make sure to click on it and try it out!

See our products in your home
